The Honorable Christopher Shays  
United States House of Representatives  
1126 Longworth House Office Building  
Washington, DC 20515-0704

Dear Representative Shays:

A new proposal by the U.S. Congress and Federal Communications Commission that would limit broadcast ministries to only those consumers who specifically order and pay for cable channels with religious programming has come to my attention.

I am writing you today, Congressman Shays, to strongly urge that you strike down this 'a la carte cable regulation'.

America is at a crossroads in her struggle to maintain the freedoms which our forefathers so valiantly fought for and died to establish. Please do all within your power, as our elected official, to keep these precious freedoms protected.

Thank you,

Sincerely,

*Mr. & Mrs. David Andrews*
